

Solution for 4.3 Bookshelves (Answer = OCCIDENT)

One needs to recognise that these are in fact the start to famous books: Dracula, Interview with the Vampire, Animal Farm, Emma, Moby Dick, Shame, American Psycho, Lolita, Vernon God Little, Picture This, Of Mice and Men, White Noise, Little Women, The Crying of Lot 49, The Picture of Dorian Gray, Water for Elephants, Harry Potter and the Prisoner of Azkaban, The Hitchhikers Guide to the Galaxy. Take the letter in the position indicated by the page number and arranging them in order of original copyright dates of the books. This should read:

My odd antonym for orient.

The solution is not disorient, but 'occident' ('west') which is the antonym to the 'east' definition of orient.
